

UP MA JOUK

Gregor Steele

(tae the tune o *My Favourite Things* fae *The Sound of Music*)

Auld season tickets and new basebaw gutties,
White chocolate buttons and warm sausage butties,
A wee jaggie nettle that gied me a plook,
These are the things that Ah keep up ma jouk.

Green jelly babies, a postcaird fae Nairn,
A haiku, a toy coo Ah've had since a bairn,
Ma gran's dug-eared copy o a Roald Dahl book,
These are the things that Ah keep up ma jouk.

Smairt wireless heidphones that didnae cost muckle,
A Mickey Moose watch wi a braw siller buckle,
Twa cans o ginger ma wee brither shook,
These are the things that Ah keep up ma jouk.

When the dug bites,
When the bee stings,
When Ah'm feelin sair,
Ah bring oot the things that Ah keep up ma jouk,
And Ah dinnae greet ony mair.
