# Making Your Own Language Calendar

1. Choose a Scots word
2. Choose another language
3. Write down the words in both languages
4. Draw a picture to show what the words mean

# Scots + another language

dug                  French (Français)                  chien

bairn                  German (Deutsch)                  Kind

greetin                  English                  crying

windae                  Polish (polski)                  okno
