#### LEARN NEW SCOTS WORDS AND MAKE A SCOTS HALLOWEEN DISPLAY

---

## HOW TO MAKE A SPOOKY SCOTS DISPLAY

### Step 1

You will need:

a single sheet of coloured A1 or A2 paper for a background.

a single A1 or A2 sheet of thin black card.

Glue and blu tac.

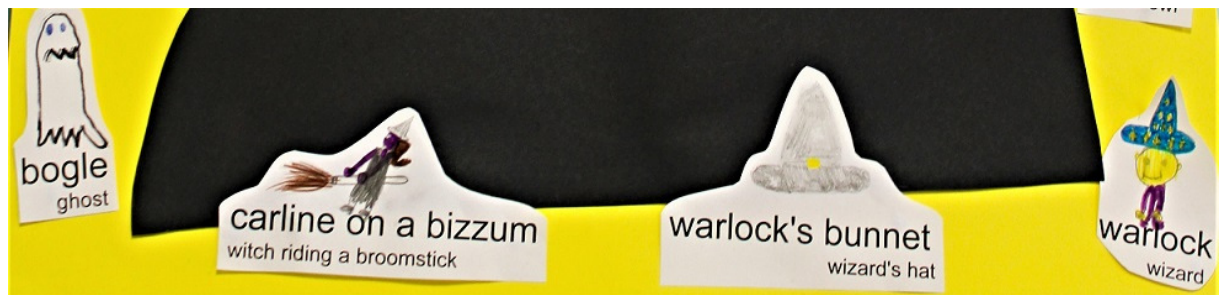

Using the thin black card, cut round the black card to make the shape of a haunted house or a cauldron.

Glue or blu tac the black shape onto the coloured paper.

## Step 2

Print the Spooky Scots Words resource below. Cut out the individual words and phrases. Pupils should draw a picture to go with each word or phrase.

Stick them on the haunted house or cauldron wall display with blu tac.
